Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: This is a fantastic plan and long overdue. As a local cyclist & walker who also uses the Deeside way to take local young people out & about I wholeheartedly support this development. A relatively cheap way for the council to support healthy lifestyles, activity & use of sustainable transport. The road west of Invercauld Bridge is particularly dangerous so a good place to start. Let us not however forget that the Deeside Way east of Aboyne is still not complete & requires use of another particularly dangerous section of road!
