## APPENDIX 2b

2015/0290/DET

## REPRESENTATIONS SUPPORT

RECEIVED

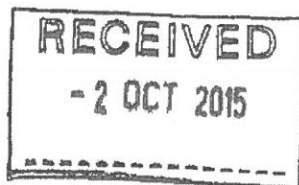

- 2 OCT 2015

Mr Alan MacMillan Miss Jackie Grant  
18 Mackenzie Cres  
NethyBridge

To whom it may concern,

We are writing to show our support to the planning application of Alister and Ingrid Kendall for a house and stable block on the Glebe field NethyBridge we think this would be a good for the village and would bring in more jobs and people to the village of NethyBridge which would benefit the other businesses already in the village. We also think it is in a great location away from the church and castle Roy so would not impact on the views or scenery.

To Whom it may concern

I am writing to support the planning application of Alister & Ingrid Kendall for a house and Stable Block on the Glebe field Nethybridge. I think this is a good location away from the church & Castle Roy. This would be good for all ages in and out of the village and would be good for the local shop, bringing business into Nethybridge and also create jobs for locals.

Dear Sir/Madam

I am writing this letter to show my support for Neistair & Hugh Kendall we hope that it will help them get their planning application passed for their house & stable block at the Clebe Field, Nethybridge. I think that the house & stable block are far enough away from the church & castle so it will not interrupt any thing that is going on at the church or castle.

So hopefully you will grant their application for house & stable block.

Yours faithfully

Lindsay Parker  
C/O Nethybridge Hotel

To Whom it may concern

I am writing to support the planning application of Alister & Ingrid Kendall for a house and stable block on the Glebe Field Nethybridge.

I think this is a good location away from the church & Castle Roy, this would be good for all ages in and out of the village and would also be good for the local shop, bringing business into Nethybridge and also create jobs for locals.

Nethybridge is the forest village and would be nice to see more animals in fields instead of lying empty.

Kindest Regards

Lindsay Parker

To whom it may concern

I am writing to support the ~~pl~~ Planning application of Alistair and Ingrid Kendall for a house and stable block on the Glebe field Nethybridge.

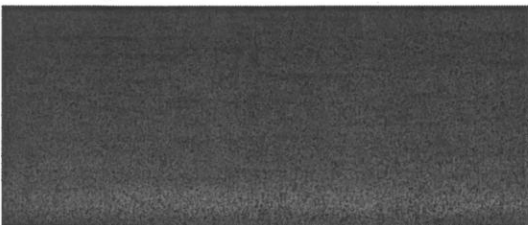

I think this will be a fantastic position away from the church and Castle Roy because it would NOT disturb the village not even the building progress. It will leave Nethybridge in all its peace and tranquility.

It would benefit the village by providing more jobs, the shop would benefit as any workers could buy their lunch from there.

I would prefer to see a field being used with horses & a stable block & house in it rather than an empty wild overgrown field.

I hereby fully support Alistair & Ingrid Kendall.

Your faithfully

For whom it may concern

I would like to support the idea behind building house & stable block at the Glebe field, Nethybridge panning application no. 15/03242/FUL proposed by Alistair and Ingrid Kendall for the following reasons.

Having a stable in Nethybridge would not only bring more jobs opportunities but also provide chance for work experience for school pupils as Ingrid and Alistair already provide work experience for school students at their Alvie Stables.

The location (Glebe Field) is suitable as it is away, yet in a walking distance from the church and Castle Roy, which would hopefully increase the interest in teas organised by the church.

It should also have economic benefits for the local SPAR shop and the Nethybridge Hotel.

I believe that having a stable block in the village will increase the awareness of this place at no disadvantage.

Yours faithfully

To whom it may concern,

I am writing to support the planning application of Alister & Ingrid Kendall for a house and stable block on the Glebe Field in Nethy Bridge.

I think this is a great place for a house & stable block, which is not in sight of Castle Roy or the Abernethy Old Kirk. I also think it will bring a lot more tourists in to the village & its community. With stable blocks it could create a lot more jobs for the younger generation.

To whom it may concern,

I am writing to support the planning application of Alister & Ingrid Kendall for a house and stable block on the Glebe Field in Nethy Bridge.

I have been here for 10 years, it is great seeing horses in that field rather than being empty. I think it will bring people into the village & will also create new jobs & give something for the younger generation to do & be involved with. The house & stable block would not be in the way of the Abernethy old Kirk and/or Castle Roy

4th Oct 2015

Dear Sir/Madam,

We would like to note our support for the planning application made by Alastair and Ingrid Kendall for a house and stable barn opposite Balliemore in The Glebe Field.

The proposed site clearly would have minimal impact on any views of any of the surrounding buildings.

This is a local girl who has worked hard to develop a business within the Spey Valley and would like to bring part of it to Nettalybridge.

This is a positive sustainable business which surely sits well within a National Park and returns a facility which Nettalybridge once had and which is sorely missed.

Yours faithfully
