With reference to planning application 19/02729/FUL Tigh Mhuileann Boat Of Garten PH24 3BG

On behalf of Boat of Garten Community Company (owners of Milton Loch) and BOGWIG (Boat of Garten Wildlife Group), we are pleased to see that the potential impact on the loch, especially tributaries, and the environmentally sensitive woodland near the site have been mentioned in the reports. We look forward to working with the developers in the future to ensure that the path linking the houses to the village avoids important nesting sites.

Yours sincerely,

Kate Johnson
