CAIRNGORMS NATURE

It has Britain's highest and most extensive mountain range; the biggest native forests; spectacularly clean rivers and lochs and miles of moorland and farmland.

It is twice the size of the Lake District National Park, bigger than the whole of Luxembourg.

100 COUNTRIES HAVE NATIONAL PARKS IS THE LARGEST NATIONAL PARK IN THE UK.

An Outstanding Place

Getting around the Park

Around 18,000 people live and work here and we have around 1.6 million visitors every year.

A slow pace

Why not make the most of your visit by getting out of your car, slowing the pace a little and take in the outstanding scenery along one of our many paths. Many of the villages have paths leaflets that will help you choose the best routes to suit your ability.
