STRATHDON lies in Upper Donside in the east of the National Park and is made up of a number of dispersed communities. The economy is largely based on agriculture and land management with a growing tourism sector. With no defined settlement boundary, and no new development allocations, development here should be of a small-scale, organic nature designed to meet local need.

Proposed objectives

- Facilitate economic growth that supports the local community
- Support small-scale organic growth through the Local Development Plan's housing policy

How should Strathdon develop in the future?
